Excel Technology
Ranked 125th in the 2006 Deloitte
Technology Fast 500 Asia Pacific

(January 4, 2007 HONG KONG) Excel Technology International Holdings Limited (“Excel”; stock code: 8048 HKSE) is honoured that our China flagship subsidiary Excel System (Beijing) Limited (“Excel System”) is ranked the 125th of the “*Deloitte Technology Fast 500 Asia Pacific*”, a ranking of the top 500 technology companies in Asia. This is the fourth time that Excel received this award.

Excel System achieved growth of 304% during this period, with an increase of 13% in growth ratio compared with last year. The award was presented to Excel System in the official ceremony held in Hong Kong on December 12, 2006. Excel System was also honoured to be the “*20th of 2006 Deloitte Technology Fast 50 China*”.

These awards recognize our significant growth in China. To day, we derive more than half of our revenue from China and have built a significant client base and resource pool in major Chinese cities. China represents both important growth contribution and cost arbitrage to the Excel Group.
