

*Excel Provides Implementation Services
of Core Applications Project (CAP) Batch
III to Hong Kong Council of Social
Service's NGO Members*

Excel Technology International (HK) Limited (EXCEL) is pleased to announce that it has recently been awarded a contract from Hong Kong Council of Social Service (HKCSS) to provide implementation services of **Core Applications Project (CAP)** systems to HKCSS' member Non-governmental Organizations (NGOs).

The scope of the project is to provide implementation, customization, rollout, training, and support services of CAP system to 10 HKCSS member NGOs. The CAP System consists of two major functional modules: human resource management and financial management modules. These modules are customized versions of Oracle Applications v11i with modification specifically for NGO's Lump Sum Grant (LSG) operation environments.

The objectives of the CAP project are to:

- Assist NGOs in improving operation efficiency under the Lump Sum Grant (LSG) environment;
- Implement a core application on human resources management (HRM) and financial management (FM) systems for NGOs.
