Application has been made to the Listing Committee of the Growth Enterprise Market ("GEM") of the Stock Exchange for the listing of, and permission to deal in, shares of HK\$0.10 each (the "Shares") in the share capital of Excel Technology International Holdings Limited (the "Company") in issue and to be issued as described in the prospectus of the Company dated 20th June, 2000 (the "Prospectus"), including any Shares which may fall to be issued pursuant to the exercise of the options granted under the share option scheme of the Company as described in Appendix VI to the Prospectus and any Shares which may fall to be issued pursuant to the exercise of the over-allotment option as described in the section headed "Structure of the Share Offer" in the Prospectus. Dealings in the Shares are expected to commence on 30th June, 2000. Subject to the granting of listing of, and permission to deal in, the Shares on the GEM of the Stock Exchange as well as the compliance with the stock admission requirements of Hongkong Clearing, the Shares will be accepted as eligible securities by Hongkong Clearing for deposit, clearance and settlement in the Central Clearing and Settlement System ("CCASS") with effect from the commencement date of dealings in the Shares on GEM of the Stock Exchange or such other date as determined by Hongkong Clearing. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

The Share Offer (as defined below) comprises an offer for subscription of initially 22,500,000 Shares ("Public Offer Shares") (subject to adjustment and reallocation) to the public in Hong Kong (the "Public Offer") and a placing by HSBC Investment Bank Asia Limited together with other placing underwriters to professional, institutional and individual investors (the "Placing") of initially 125,346,000 Shares ("Placing Shares") (subject to adjustment and reallocation) in Hong Kong and in certain other jurisdictions outside Hong Kong as well as an offer of 2,154,000 Shares on a preferential basis as to allocation only to full-time employees (including directors) of the Company and its subsidiaries (the Public Offer and the Placing collectively referred to herein as the "Share Offer"). The Underwriters (as defined in the Prospectus) have been granted an over-allotment option which is exercisable by HSBC Investment Bank Asia Limited on behalf of the Underwriters at any time at or before 20th July, 2000. Pursuant to the over-allotment option, the Company may be required to issue and allot at the Offer Price up to an aggregate of 22,500,000 additional Shares, representing 15 per cent. of the Shares initially available under the Share Offer, solely to cover over-allotments in the Placing and/or over-subscriptions in the Public Offer, if any. The allocation of the Shares between the Placing and the Public Offer is subject to adjustment. If the number of Shares validly applied for in the Public Offer represents 15 times or more of the number of Shares initially available for subscription under the Public Offer, then 7,500,000 Shares will be reallocated to the Public Offer from the Placing, so that an aggregate of 30,000,000 Shares will be available under the Public Offer, representing 20 per cent. of the Shares initially available under the Share Offer. The number of Shares available under the Placing will be correspondingly reduced as a result of such reallocation. In addition, if the Public Offer is not fully subscribed, HSBC Investment Bank Asia Limited may, in its absolute discretion, reallocate all or any unsubscribed Public Offer Shares originally included in the Public Offer to the Placing in such proportion and in such manner as HSBC Investment Bank Asia Limited considers appropriate. The basis of allocation of Public Offer Shares to investors under the Public Offer may vary depending on the level of valid applications received under the Public Offer but, subject to that, will be on a strictly pro-rata basis. Such allocation may involve balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Public Offer Shares and that applicants who are not successful in the ballot may not receive any Public Offer Shares. It should be noted that under the Rules Governing the Listing of Securities on GEM, multiple or suspected multiple applications for Public Offer Shares and any application on a WHITE or YELLOW application form or through giving instructions to Hong Kong Clearing electronically for more than 100 per cent. of the Public Offer Shares initially being offered as described in the Prospectus, will be rejected and only one application on a WHITE or YELLOW application form or through giving instructions to Hong Kong Clearing electronically may be made for the benefit of any person.

Acceptance of all applications for the Share Offer is conditional on the conditions as stated in the paragraph headed "Conditions of the Share Offer" under the section headed "Structure of the Share Offer" in the Prospectus. If the conditions are not fulfilled on or before 20th July, 2000, application monies received from applicants under the Public Offer will be returned, without interest, on the terms set out under the paragraph headed "Refund of your money" in the application forms.

Applications for the Public Offer Shares will only be considered on the basis of the Prospectus and the application forms relating thereto. Applicants who would like to be allotted Public Offer Shares in their own names should complete and sign the WHITE application forms. Applicants who would like to have the allotted Shares issued in the name of HKSCC Nominees Limited and deposited directly into CCASS for credit to their CCASS investor participant stock accounts or the stock accounts of their designated CCASS participants should complete and sign the YELLOW application forms. CCASS Participants may give electronic instructions to apply for Public Offer Shares and to arrange payment of the money due on application and payment of refunds. This will be in accordance with their participant agreements with Hongkong Clearing and the General Rules of CCASS and the CCASS Operational Procedures. Copies of the YELLOW application form, together with copies of the Prospectus, may be obtained during normal business hours from 9:00 a.m. on 20th June, 2000 until 12:00 noon on 23rd June, 2000 from the Service Counter of Hongkong Clearing at 2nd Floor, Vicwood Plaza, 199 Des Voeux Road Central, Hong Kong or its Investor Service Centre at Room 1901, Chinachem Exchange Square, 1 Hoi Wan Street, Quarry Bay, Hong Kong.
