***Excel Technology
Ranked 213th in the 2005 Deloitte
Technology Fast 500 Asia Pacific***

(10 January 2006 HONG KONG) Excel Technology International Holdings Limited (“Excel”; stock code: 8048) announces today that its Beijing subsidiary Excel System (Beijing) Limited (“Excel System”) is honoured to be the **213th** of the **“Deloitte Technology Fast 500 Asia Pacific”**, a ranking of the top 500 technology companies.

The **“Deloitte Technology Fast 500 Asia Pacific”** Program recognizes fast growing technology companies across the Asia Pacific region. Rankings are based on the company’s three year percentage revenue growth. Excel System achieved growth of 268% during this period. The award was presented to Excel System in the official ceremony held in Hong Kong on 8 December, 2005. Excel System was also honoured to be the **“35th of 2005 Deloitte Technology Fast 50 China”** Program during the official ceremony held in Beijing on 23 November, 2005.

These awards recognize Excel’s successful growth in China with footholds in Beijing, Dalian, Shanghai, Hangzhou, Guangzhou and Shenzhen.

Ms. Peggy Chan, Chairman and CEO of Excel, said, “Excel’s capability as an innovative banking and finance solution provider and our integrated strategy and technology platform have differentiated us as a leading financial technology provider in the Mainland. We are proud of our deep-rooted culture to strive for excellence with growth. Today, we are very delighted to receive such an honorable award in recognition of Excel’s dedication and commitment in the Mainland China. We look to continue our expansion in China with even more innovative products and services to both multinationals and Chinese enterprises operating in this land of vast opportunities.”
