*Excel Technology*  
**Ranked 35<sup>th</sup> in the 2005 Deloitte**  
*Technology Fast 50 China*

(December 1, 2005 HONG KONG) Excel Technology International Holdings Limited (“Excel”; stock code: 8048) announces today that its Beijing subsidiary Excel System (Beijing) Limited (“Excel System”) is honoured to be the 35<sup>th</sup> of the “*Deloitte Technology Fast 50 China*”, a ranking of China’s 50 fast-growing technology companies. The award was presented to Excel System in the official ceremony held in Beijing China on November 23, 2005.

Following the success of the *Deloitte Technology Fast 500 Asia Pacific Program* conducted since 2002, the debut of the *Deloitte Technology Fast 50 China Program* recognizes successful fast-growing Chinese technology companies in the technology, media and telecommunications (TMT) industry in China. Rankings are based on the company’s three-year percentage revenue growth. The Program serves as a platform for profiling and recognising the impressive growth of these companies.

This award recognizes Excel’s successful growth in China with footholds in Beijing, Dalian, Shanghai, Hangzhou, Guangzhou and Shenzhen.

Ms. Peggy Chan, Chairman and CEO of Excel, said, “Excel’s capability as an innovative banking and finance solution provider and our integrated strategy and technology platform have differentiated us as a leading financial technology provider in the Mainland. We are also proud of our deep-rooted culture to strive for excellence. Today, we are very delighted to receive such an honorable award in recognition of Excel’s dedication and commitment in the Mainland China. We look to continue our expansion in China with even more innovative products and services to both multinationals and Chinese enterprises operating in this land of vast opportunities.”
